

Globalization and Diversity: Geography of a Changing World: International Edition, 2013, Les Rowntree, 0321851404, 9780321851406, Pearson Education, Limited, 2013

This exciting contemporary approach to World Regional Geography introduces the latest ideas, concepts, and theories in geography while also developing a strong foundation in the fundamentals of world regions. It helps professors convey a strong sense of place and an understanding of the connections within and between world regions. Globalization and Diversity is a briefer version of the popular Diversity Amid Globalization by the same authors; this distillation focuses on the core materials that students need in a World Regional Geography course. The Fourth Edition features a new and unique focus on sustainability.
